PRY BAR DISPLAYS

OTC's most popular and largest pry bars

9900A THE PERSUADER

The OTC 7168 Jimmy Bar features a forged chisel end for prying or lifting. This most popular model has a sharpened drift on the opposite end for alignment of heavy steel components for welding and fastening. The 7168 is the perfect choice for millwrights, rigging, demolition, aggregate mining and construction. Specially treated to resist bending or breaking, the OTC 7168 can "persuade" almost any obstacle encountered.

Includes 10 Chisel and Alignment Jimmy Bars:

- ✓ 30" in length; 7/8" diameter
- ✓ Forged and chromed alloy steel
- ✓ Designed and heat-treated to resist bending and breaking
- ✓ Made in USA
- ✓ Lifetime warranty

The sturdy cardboard merchandiser, specifically designed for the Jimmy Bars, is free with purchase.

9901A MAJOR PERSUADER

The 9901A "MAJOR Persuader" merchandiser puts OTC's three biggest Jimmy Bars in a super convenient merchandiser designed to help increase in-store sales!

- ✓ Includes two 30" 7168 Jimmy Bars
- ✓ Includes two 46" 7420 Jimmy Bars
- ✓ Includes one 54" 7421 Jimmy Bar, covering almost any medium and heavy-duty application

The sturdy cardboard merchandiser, specifically designed for the Jimmy Bars, is easy to assemble and will safely hold up to five heavy-duty pry bars at one time.
