

LIFETIME LEVERAGE FROM OTC

✓ GREAT FOR ANY TOOL CHEST

✓ PRY BARS MADE IN THE USA

7176 4-PIECE ROLLING HEAD PRY BAR SET

Forged, thermal treated pry bars won't bend or break, we guarantee it. Remove or position vehicle components with the rolling head and use the opposite end to align screw or bolt holes.

- Set includes 6", 12", 16" and 21" bars
- Rolling head provides maximum leverage and force in tight spaces
- Anti-corrosive finish
- Pointed end for aligning screw and bolt holes
- Backed by OTC's lifetime warranty

Free OTC SmartTech gloves with purchase

OTC SmartTech gloves, free with the purchase of the 7176 pry bar set, work for you. Conductive material in the thumb and forefinger enable touchscreen use for smart phones or tablets. Palm padding and PVC knuckle bumpers protect your hands on tough jobs.

- Works with any smart phone or touch screen device
- PVC bumpers protect your knuckles in tight spaces
- Washable, synthetic leather palm is padded for secure, comfortable grip
- Polyester/Lycra construction provides greater 'feel' and fit
- Durable, breathable gloves keep your hands dry and working
