

For a limited time, get your warranty back

RENEW YOUR EXPIRED SOFTWARE FOR NEW COVERAGE AND WARRANTY

✓ NEW COVERAGE AVAILABLE NOW

Your software is expired and missing new coverage, tests and more

What is Diagnostics for Life?

A lifetime hardware warranty coverage program for your OTC Encore or Evolve tool. You're always covered when you maintain a current diagnostics software subscription without expiration.

Learn more at: otctools.com/diagnostics-for-life
To participate, purchase an OTC Diagnostics subscription renewal 3893-LTW Encore or 3896-LTW Evolve ("Qualifying Purchase") from October 20, 2020 through December 31, 2020 ("Promotion Period").

How do I renew my expired subscription?

This limited-time offer can be redeemed when:

- You purchase a software subscription renewal card from your tool dealer and enter the code in your tool
- Your tool dealer calls OTC Technical Support at 1.888.789.2602 Ext. 1 to verify your subscription renewal

Then you'll be covered, once again, by OTC's Diagnostics for Life program
