

WEBINAR WEDNESDAYS

A New Member Benefit from ASA in 2018

To provide better membership value, ASA will host a series of webinars on the third Wednesday of each month beginning in January. The first ones, January-May, will be jointly sponsored by Bosch. The live version of the webinar series is free, but the recorded version is available to members only.

Who should attend? All current ASA members and member prospects.

When will they be held? Mark your calendar for noon (CST) on the third Wednesday of every month.

What are some of the planned topics? We will cover a variety of business-management and technical topics, as well as information to enhance your membership in ASA. Here are some of the scheduled topics for 2018:

WEBINAR 1

Jan. 17, Noon-1 pm (CST)

Scanning the Future: Diagnostic scan trends every collision and mechanical professional should know
Register here: <https://tinyurl.com/asawebinarjan17>

WEBINAR 2

Feb. 21, Noon-1 pm (CST)

In-House Money Makers: Diagnostic pre- and post-scanning in-house can make you money
Register here: <https://tinyurl.com/asawebinarfeb21>

WEBINAR 3

March 21, Noon-1 pm (CDT)

The Right Scan, The Right Way: Key scan tool procedures for collision and mechanical repair
Register here: <https://tinyurl.com/asawebinarmar21>
